APSIDE

Siparex ETI 4, Fonds Transatlantique

Boulogne Billancourt / Hauts de
Seinewww.apside.com

The Apside group is an independent French leader in technology consulting. The Apside group is distinguishable for its wide range of expertise and the diversity of its client portfolio. It deals with (i) technology and industrial engineering, particularly in aeronautics, space, defence and automotive sectors, (ii) Information System engineering and digital solutions for banking & insurance and telecoms sectors, and also (iii) facilities management for key accounts from the tertiary sector. The group generates a consolidated turnover amounting to €170M with over 2,400 employees including nearly 2,000 consultants.

ARMOR (Groupe)

Siparex MidMarket 3

Nantes / Loire Atlantique

www.armor-group.com

Specialist in ink chemistry and printing technologies, Armor Group is the world leader for the supply of inked films used in thermal transfer technology (printing standards for barcodes) and the European leader in manufacturing recycled ink cartridges for office printers. Also playing an active role in designing and manufacturing flexible photovoltaic films, the Group employs 1,900 workers and generates a turnover of more than €260M, with 75% on export.

BABEAU SEGUIN (Groupe)

Siparex ETI 4

Creney-près-Troyes / Aube

www.babeau-seguin.fr

Babeau Seguin Group (Babeau Seguin, Batilor, Cercle Entreprise, Maisons Concept, Pavillons Parot, Maison et Jardin, Vesta Espace and Styl'Habitat) constitute one of the leading individual home builders in France. With turnover of nearly €175 million, the group is the leading player in Eastern France.

BISCUITS BOUVARD

Siparex MidMarket 3

Ceyzeriat / Ain

www.biscuits-bouvard.com

Biscuits Bouvard is one of the French leaders in the manufacture of sugar biscuits for MDD (distributor brands) and works with all mass marketing players. With 1 700 employees and 13 sites, Bouvard has a turnover of €300 million, 40% of which internationally.

CLAYENS NP

Siparex ETI 4, Fonds Transatlantique

Genas / Rhône

www.clayens-np.com/

Clayens NP is one of the leading European specialists in the processing of polymers, composites and precision metal parts. The Group, that masters most of the materials and associated transformation processes with a 'one stop shop' approach, has built up strong positions with a clientele of key accounts operating in the electricity, aeronautics, healthcare and automotive sectors.

Clayens NP has a staff of 2,700 employees, spread across 18 sites located in France, Germany, Eastern Europe, Tunisia, and Morocco, and generates a major part of its turnover of €275M, abroad.

DEMECO

Siparex MidMarket 3

Saint Jean la Ruelle / Loiret
demeco.fr

Nasse-Demeco company is the French leader in household and business moving services. Originally specialized in household moving, today the company also provides office moving services and has developed an undisputed expertise in industrial moving. The group generates a turnover of €90M.

DOGG LABEL

Siparex MidMarket 3

Marseille / Bouches du Rhône
www.letempsdescerises.com/

Dogg Label is the owner of Le Temps des Cerises trademark and its version for men named Japan Rags, which have built their reputation on denim, around which they have developed their ready-to-wear and accessories fashion style.

The group has a turnover of nearly €70M achieved through an own network of about fifty retail outlets to date and a clientele of over 1,000 retailers and retail websites located in France and abroad (through its European subsidiaries and partners in China and the Middle East).

GINGER CEBTP

Siparex ETI 4

Elancourt / Yvelines
www.ginger-cebtp.com

Ginger CEBTP is France's leading technical and scientific certifier serving the construction industry. It operates at all phases of the life cycle of buildings and infrastructure, offering cutting-edge expertise in analyzing soils and materials. It has about 1,600 employees, including 650 engineers, and revenues of €160 million.

GRAND FRAIS (Prosol)

Siparex MidMarket 3

Chaponnay / Rhône
grandfrais.com

PROSOL Group manages Fruit and Vegetables, Fish, and Dairy/Cheese sections in the 250 stores of GRAND FRAIS. The GRAND FRAIS concept is to gather under the same tradename 5 food sections: Fruit and Vegetables, Fish, Butchery, Dairy, and Grocery.

GROUPE CARSO

Siparex ETI 4

Venissieux / Rhône
www.groupecarso.com

Carso is a leading provider of analytical services in Europe. The Group has 25 laboratories in France and 6 sites in Europe. Founded in 1992, Carso has developed its business activity focusing on 6 complementary fields of expertise: water and environment, buildings and occupational hygiene, agri-food, energy and mines, forensics, and pharmacy and cosmetics. With a staff of over 2,500 employees, the Carso group generates a turnover of around €190M.

GROUPE LACROIX

Siparex MidMarket 3

Bois d'Amont / Jura
www.groupe-lacroix.com/

Lacroix operates in the field of packaging (wood, cardboard, and plastic) for cheese makers as well as the rest of the agrifood industry. It is one of the leader in this market, with 45% of sales abroad (Europe, USA, Canada).

JACKY PERRENOT

Siparex ETI 4

Saint Donat / Drôme

The Jacky Perrenot family group is one of the French leaders in road haulage, mainly on account of food retailers and specialist stores, as well as some major manufacturers in the Fast-Moving Consumer Goods (FMCG) sector. The Group generates a turnover of nearly €650M, relying upon a renowned quality of service, a dense regional network (82 sites) and one of the largest European fleets (7,800 vehicles).

JST TRANSFORMATEURS

Siparex MidMarket 2

Lyon / Rhône

www.jst-transformers.eu

JST Transformateurs manufactures high and medium voltage "power" transformers, intended for manufacturing, transportation and the distribution of electrical energy, and "traction" transformers for rail transportation. Its services include corrective and preventative maintenance. The company achieves a turnover in the region of €85 million with subsidiaries in France, Portugal, Poland and India.

LIGIER

Siparex MidMarket 3

Abrest / Allier

www.ligier.fr/

Ligier Group is a European co-leader in the design, assembly and marketing of light quadricycles. Ligier and Microcar labels' products are sold through a network of around 740 expert centers, including 212 in France and 527 in Europe. Ligier also addresses the growing issues of urban transport with Ligier Professional, a range of light utility vehicles (mainly in electrical version) that are marketed to state-owned companies and communities or to large companies. The group manufactures around 10,000 vehicles per year and generates a turnover of around €120M.

LNA SANTE

Siparex MidMarket 3

Nantes / Loire Atlantique

www.lna-sante.com

Company listed on the Euronext Compartiment C

The LNA Santé Group is the 5th largest private french operator dealing with dependent elderly people within nursing homes. The group operates about 70 medical establishments (EHPAD [care home for dependent elderly people] and after-care and rehabilitation clinics) representing a capacity of approximately 7,000 beds. Its turnover amounts to €480million.

MAPED

Siparex MidMarket 3

Argonay / Haute Savoie

fr.maped.com/en_fr/

Maped Group specializes in designing, manufacturing and distributing school and office supplies and coloring tools. Leader on its key target markets, the group generates a turnover of over €200M, 80% of which internationally, in 125 countries.

MINAFIN

Siparex ETI 4

Beuvry La Forêt / Nord

www.minakem.com/

Minafin is an international group specialising in fine chemicals and associated services operating in the development and industrial production of active pharmaceutical ingredients and key components used in the life sciences and high-tech sectors. With an expansive range of expertise and proprietary technologies structured around 5 distinct brands, Minafin has established itself as a chemical specialist in each of its activity sectors. With a presence in Europe and the USA, Minafin generates a consolidated turnover of more than €180M.

NG TRAVEL

Siparex ETI 4

Paris

NG Travel is the 6th French tour operator with a turnover of over €230M. The group offers a really wide selection of tourist stays with a choice of nearly 30 destinations. The group markets its services through its brands Boomerang Voyages and Promoséjours and also offers tailor-made travel on Directours.com website. NG Travel has also developed 3 concepts of travel clubs: Kappa Club (the club, differently), Club Coralia (the club, simply) and Nosylis Collection (luxury and tailor-made arrangements) that are greatly appreciated by travellers seeking quality and genuine cultural experience.

SAFE

Siparex MidMarket 3

Suisse

www.safe-industry.com/

Safe is an international industrial Group organized into 2 branches (Safe Metal and Safe Demo) located in 14 countries on 3 continents, which operate 15 manufacturing factories producing technical components in cast steel, alloy steel and injection molded plastic for cars, public works and mining machinery, trucks, railway equipment, and aeronautics. Safe Group generates a turnover of nearly €288 million and has a staff of over 3,200 employees.

**SERGEANT MAJOR
(GLOBASIA)**

Siparex MidMarket 2

Montreuil / Seine Saint Denis

www.sergent-major.com

The SERGENT MAJOR Group distributes children's clothing (through its historic brand name SERGENT MAJOR) and baby care items (NATALYS brand name, taken over in 2006). The Group has doubled in size in 2016 with the acquisition of the trade name Du Pareil au Même (DPAM) and now benefits from nearly 1000 shops, with 70% owned shops and 30% affiliates and outlets. Most of the shops are located in France but some are located abroad (Belgium, Spain, Italy, Germany, Middle-East). The Group generates a turnover of around €350M.

SOLOTECH

Fonds Transatlantique

Montréal / Canada

www.solotech.com

Based in Montreal, Solotech sells and rents audio, video and lighting equipment and related accessories. The Rental division provides equipment for concert tours, shows and festivals. The Sales and Integration division designs, installs and sells audiovideo and lighting solutions. Solotech is the Canadian leader in its field.

SYNCHRONE

Siparex MidMarket 3

Aix en Provence / Bouches du Rhône

www.synchrone-technologies.fr

Synchrone provides its key account clients with high-level expert assessments on complex technological issues. Preferred partner of major banking and financial institutions and insurance companies, Synchrone offers tailor made solutions combining business skills, methodological know-how and technological expertise. It assists its clients in their strategic approaches: Financial/Banking, Cloud/Big data, Digital Intelligence, Expertise Center. The company generates a turnover of nearly €125 million.

TEXELIS

Siparex ETI 4, Fonds Transatlantique

Limoges / Haute-Vienne

www.texelis.com

Texelis group specialises in road link and power transmission systems for heavy vehicles (metros, trams, tactical vehicles, special vehicles...). It has developed innovative mobility solutions and diversified its client base with major global manufacturers (Alstom, Siemens, Bombardier, Volvo...). Texelis has, in particular, supplied its on-board solutions to Siemens for the Neoval and to the French Armed Forces for the 4x4 Serval (multi-role armoured vehicle) and positioned itself on the renovation of Mexico City's rubber-tyred metro. With a staff of 350 employees and a production site of 35,000 m², Texelis shows high growth and has posted a turnover of €110M.

TOPSOLID

Siparex ETI 4

Saint Quentin Fallavier / Isère

www.topsolid.fr

The Topsolid group is one of the world leading publisher of CADM software (Computer Aided Design and Manufacturing) with the software package "TopSolid". TOPSOLID's offer, composed of proprietary software, proposes a fully integrated solution, for the design and manufacture of technical parts using NC machines, as well as business application modules (wood and furnishing, sheet metalworking...).

VALENTIN TRAITEUR

Siparex ETI 4

Mably / Loire

www.groupe-vt.com

Valentin Traiteur is a French leader specialising in the fresh catering section, with mainly private label goods. The group has specific expertise in manufacturing pastries and snacks and also prepared meals, with distinctive skill in making au gratin specialities (regular oven cooking) as well as aspics of which the group is one of the few French manufacturers. Its main clients are large retailers in France and in a few bordering countries (exports account for over 10% of the turnover) with which the group has formed close links, also the eating-out industry as well as some wholesalers.

ARCADO

Siparex MidCap 2

Avoudrey / Doubs

Sipas Group is the French leader in sausage manufacturing concerning two specialties with protected geographical indication: Morteau and Montbéliard sausages. These products are mainly sold to French superstores either under private labels (Jean-Louis Amiotte, Morteau Saucisse and now on Clavière) or under store labels. The Group has a turnover of nearly €70 million.

BEST

Siparex Entrepreneurs 1

Lambres les Douai / Nord

www.bestfrance.fr/

Best has been an acknowledged expert for the past 20 years in the distribution of protective equipment, mainly intended for asbestos removal work. The company offers a variety of over 1.000 brand name and own brand products to companies specializing in asbestos removal services and/or demolition. After the acquisition of Centra, Best achieves a turnover of nearly €25million.

BRACCHI

Siparex MidCap 2, Siparex

Investimenti 2

Italie

www.bracchi.it

Bracchi mainly specializes in industrial transport and logistics concerning lifts and escalators but also is a specialist in overload transport of tractors and farm machinery. The company's central warehouses are located in Italy, Poland, Slovakia and Germany. Its turnover amounts to €85M.

COMPTOIR RHODANIEN

Siparex MidCap 3

Tain l'Hermitage / Drôme
